# "NON SIBI, SED OMNIBUS"

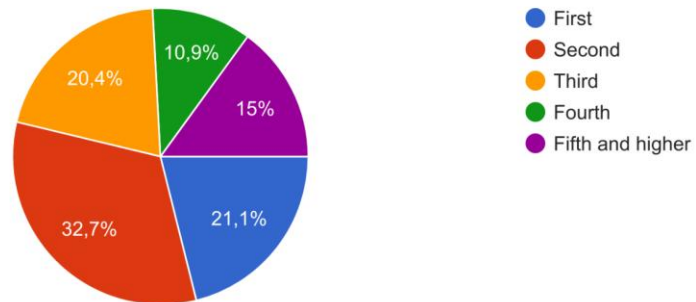

## 1. Gender

147 отговора

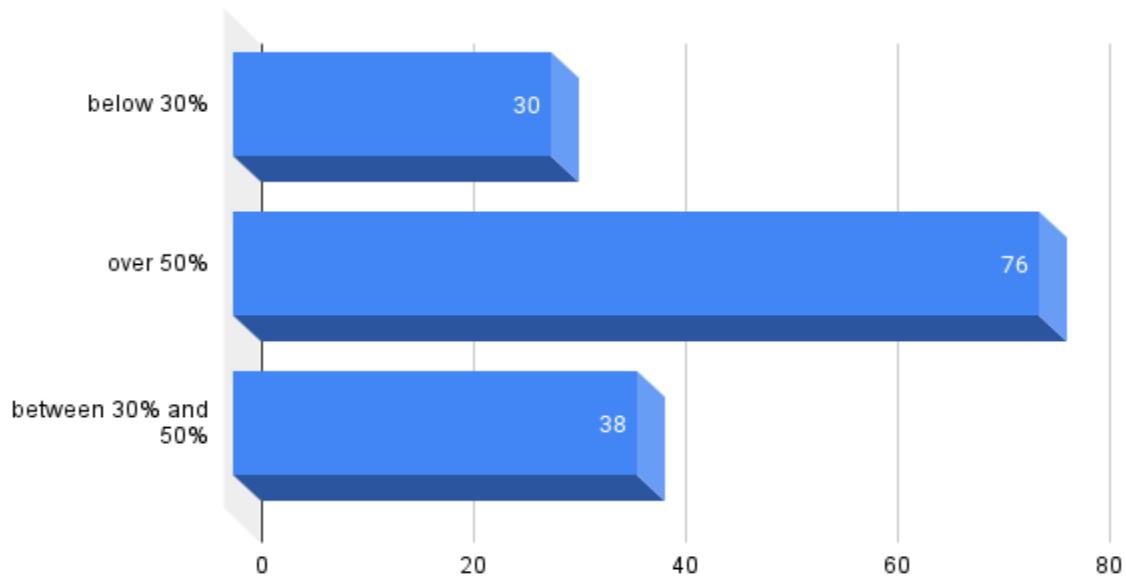

## 2. What year student are you?

147 отговора

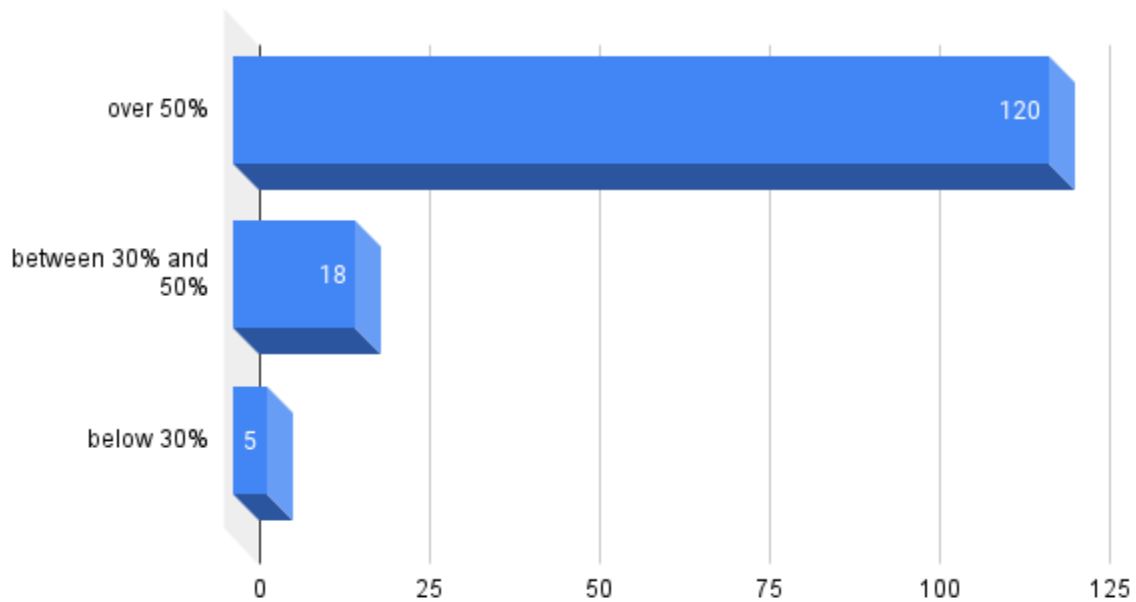

### 3. What is the attendance of classes on subjects where attendance is checked? During lectures?

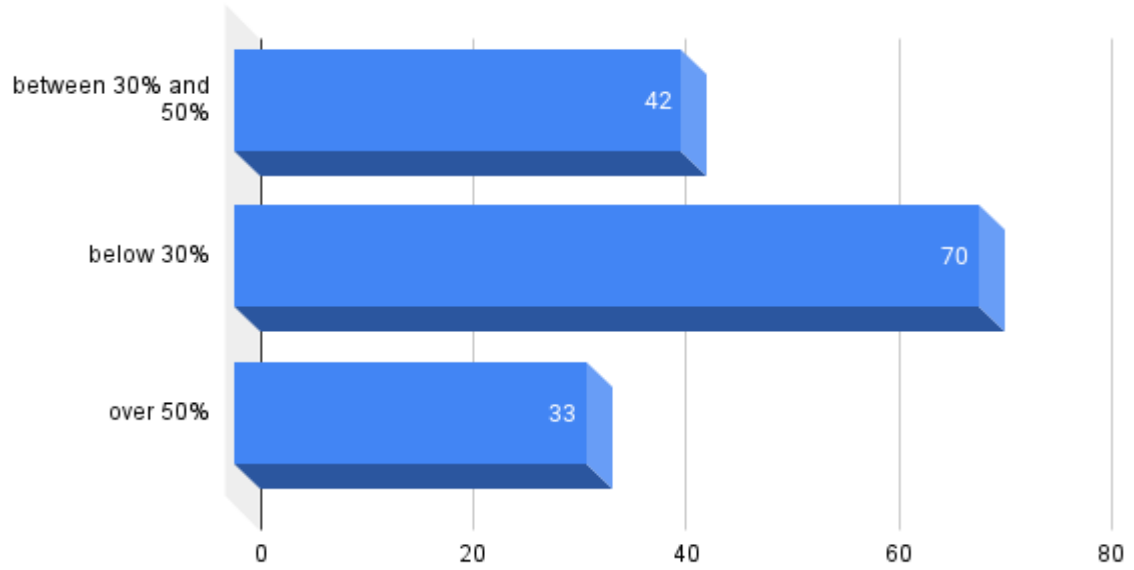

### 3. What is the attendance of classes on subjects where attendance is checked? During seminars, laboratory and practical exercises?

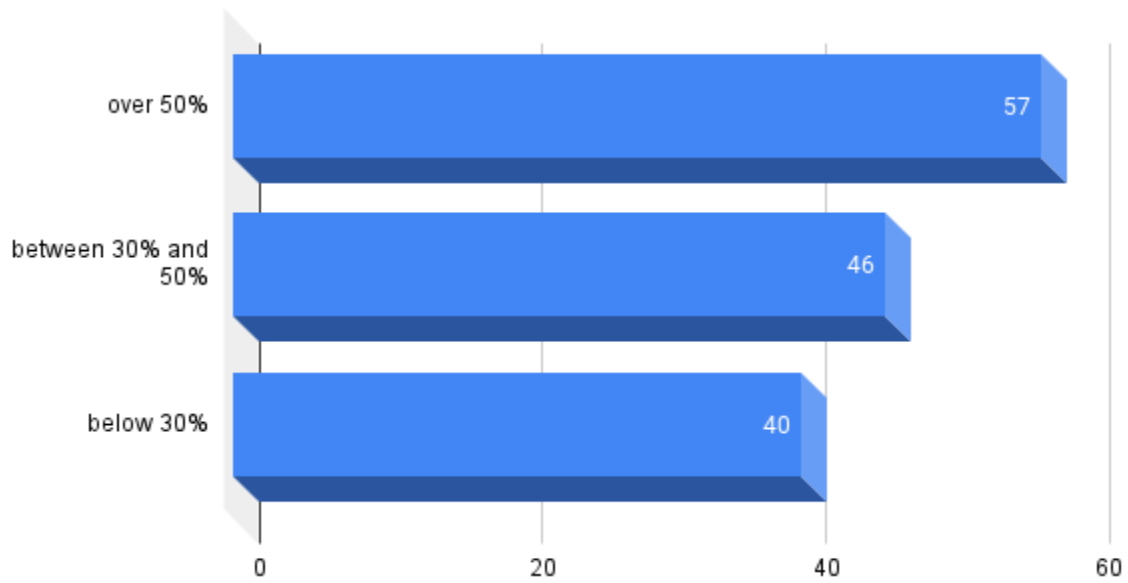

**4. What is the attendance of classes on subjects where attendance is not checked? During lectures?**

**4. What is the attendance of classes on subjects where attendance is not checked? During seminars, laboratories and practical exercises?**

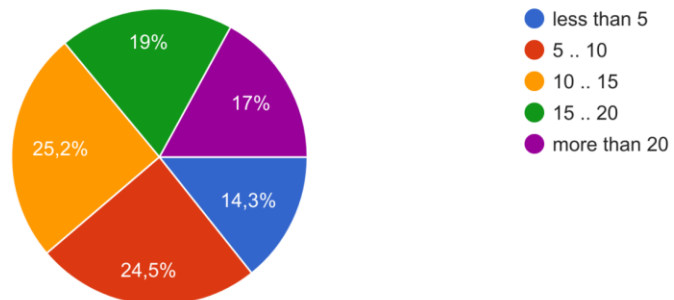

# "NON SIBI, SED OMNIBUS"

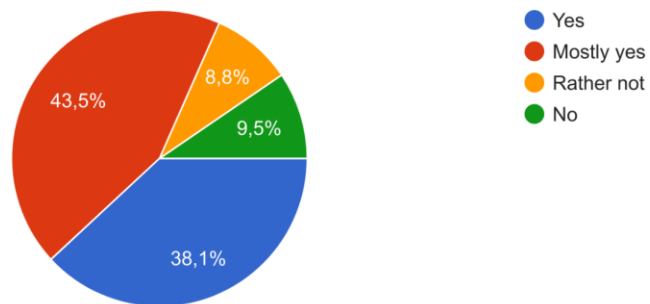

5. How many hours of extracurricular time a week do you devote to learning the new material taught and completing your assigned learning tasks?

147 отговора

6. Do you think that the variety of courses and topics in the study your specialty is sufficient?

147 отговора

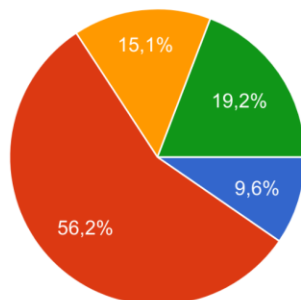

# „NON SIBI, SED OMNIBUS”

7. Are you assigned creative tasks in the specialty during the course of education / preparation of projects, course assignments, presentations, etc.?

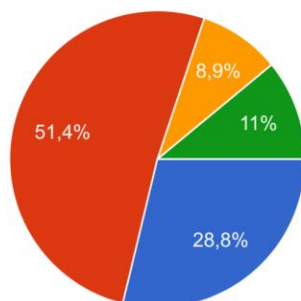

146 отговора

- regularly, in almost all disciplines
- rarely, only in some disciplines
- rather not
- No

8. Do you have any personal contact with the teachers or consultations / visiting hours, email/?

146 отговора

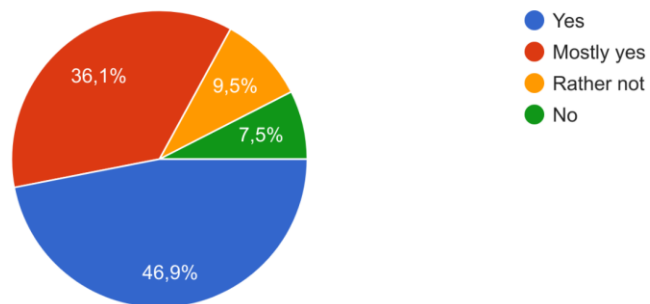

- regularly, in almost all disciplines
- rarely, only in some disciplines
- rather not
- No

# „NON SIBI, SED OMNIBUS”

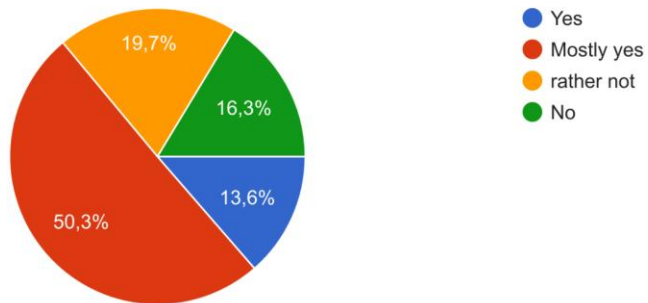

9. Is the number of practical classes in the specialty sufficient?

147 отговора

10. Do you think the teachers are well prepared and explain the material well?

147 отговора

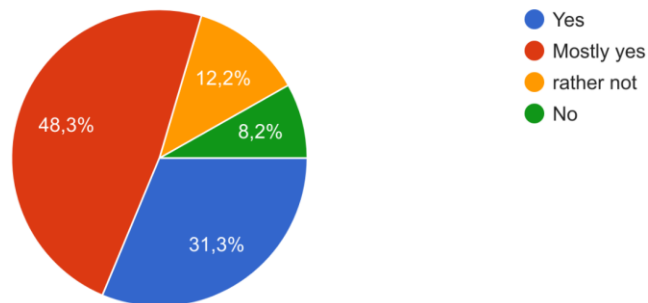

# "NON SIBI, SED OMNIBUS"

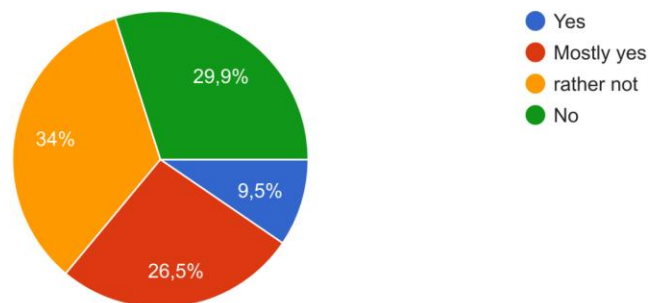

11. Do the teachers deliver the lectures and exercises regularly in accordance with the curriculum?

147 отговора

12. Do most teachers use new technologies in teaching?

147 отговора

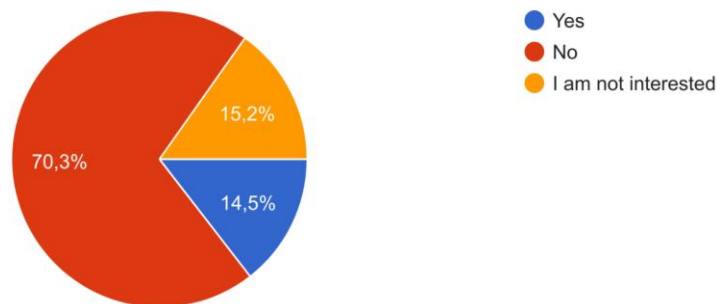

# „NON SIBI, SED OMNIBUS”

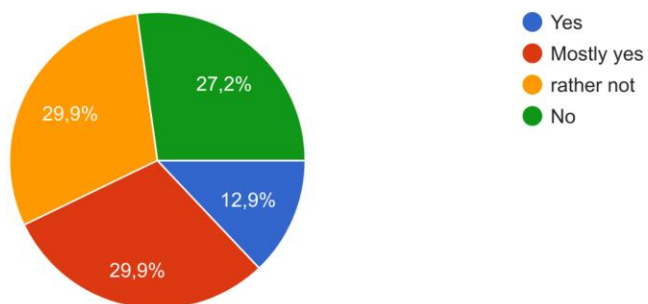

13. Do you have opportunities to participate in scientific research projects outside of education?

145 отговора

14. Do most teachers provide enough teaching materials?

147 отговора

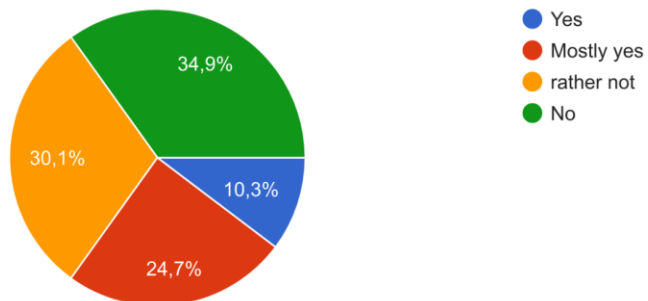

# "NON SIBI, SED OMNIBUS"

145 отговора

20. Have you recommended other students and learners to study at Medical University-Pleven?

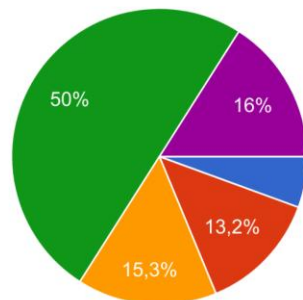

146 отговора

### 21. How do you rate the specialty you are studying?

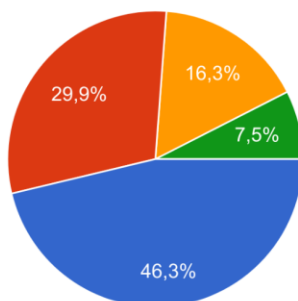

144 отговора

- outdated unpromising
- with unclear prospects
- I have no opinion
- traditional, but always in demand
- modern, perspective

### 22. If you intend to continue your higher education at a higher level, would you do so at MU – Plevna?

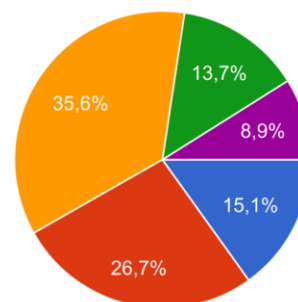

147 отговора

- No
- rather not
- mostly yes
- Yes

### 23. How do you evaluate the studies at Medical University-Plevna from the point of view of your future professional activity?

146 отговора

- Efficient
- rather efficient
- at an average level
- rather inefficient
- inefficient

## „NON SIBI, SED OMNIBUS“

### ИЗВОДИ:

През юни 2024г. е направено анкетно проучване на студентското мнение за специалността „Медицина“ АЕО. Анкетирани са студенти от всички курсове, а общият брой на анкетираните е 147.

- По-висока посещаемост с над 50% присъственост по време на лекции и семинарни, лабораторни и практически упражнения се реализира от студентите, когато се извършва проверка на присъствието;
- В обучението по специалността има достатъчно разнообразие от курсове и теми, според по-голяма част от студентите;
- 56,2% от анкетираните посочват, че рядко им се възлагат творчески задачи само по някои дисциплини, 34,3% отговарят с не и по-скоро не;
- 51,4% от респондентите са имали възможност за личен контакт с преподавателите и консултации;
- 88,9% от студентите смятат, че преподавателите са добре подготвени и обясняват добре материала;
- 91,4% от анкетираните са на мнение, че преподавателите изнасят лекциите и упражненията редовно в съответствие с учебната програма;
