Dear Prof. Dr. Slavcho Tomov!

We would like to express our appreciation for the warm welcome during our visit to Medical University Pleven under the ERASMUS+ KA1 project between our universities.

We hope this visit open new perspectives for cooperation in research and educational fields between Medical University Pleven and Sumy State University.

Special thanks to you for the opportunity to present our research achievements during the Conference of Students and Young Doctors. This conference is a unique platform to share new knowledge within young society and absolutely unique for Eastern Europe. It was our pleasure to meet enthusiastic Organizing Committee and absolutely amazing participants.

We would like to express our respect and deep gratitude to Dr Diana Pendicheva for long lasting cooperation and support within last 7 years. We thank to Associate Professor Mariana Stoynovska, Associate Professor Stela Georgieva and Associate Professor Mariela Stefanova Kamburova for cooperation in Hygiene and Public Health fields. Also we thank to Nikolina Angelova for constant support during ERASMUS project realization.

Special thanks to Vasil Neykov, Mikita Velikov and all Organizing Committee of International Medical Scientific Conference for Students and Young Doctors for hosting and constant support during our visit.

Finally, we express our deep gratitude for successful partnership between our universities and we express our willingness for further joint educational and scientific projects.
