GENERAL REMARKS AND RECOMMENDATIONS

FOR E- LEARNING IN „PEDIATRICS“

**FOR STUDENTS AT MU-PLEVEN
(FOR SELF-TRAINING)**

Dear colleagues,

Here is the information you will need to prepare for your pediatrics exam. The information given consists of the full course of lectures, the textbooks you can use and a list of theses for the practical exercises. The theses will show you the most important parts of the topics you should give more attention to. Complementing the information you receive are the tests you will receive via the information system of the university, sent by your assistant.
