Попълване и анализ на първични медицински документи.

първични медицински документи – 1. Амбулаторен лист – попълва се от лекар – изпълнител на ПИМП или СИМП при преглед

The image shows two pages of a medical form. The left page is a patient history and physical examination form, and the right page is a detailed diagnostic and treatment plan form.

Left Page (Patient History and Physical Examination):

- Пациент:** Fields for name, sex, date of birth, and address.
- ИЗПЪЛНИТЕЛ:** Fields for doctor's name, specialty, and title.
- Медицинско направление №:** Fields for the referral number and type (Ambulatory or Hospital).
- Диагнози:** Fields for ICD-10 codes for diagnosis.
- История на болестта:** A large section for the patient's medical history, including symptoms, duration, and previous treatments.
- Физикален преглед:** A grid for recording physical examination findings (e.g., heart, lungs, abdomen, neurological).
- Лабораторни изследвания:** Fields for laboratory test results.
- Общи данни:** Fields for patient's general health, social history, and family history.

Right Page (Diagnostic and Treatment Plan):

- Установено:** A section for recording the doctor's findings and the patient's current condition.
- Диагностика:** A section for recording the doctor's diagnostic reasoning and the final diagnosis.
- Лечение:** A section for recording the doctor's treatment plan, including medications, procedures, and follow-up.
- Прогноза:** A section for recording the doctor's prognosis for the patient's condition.
- Забележки:** A section for recording the doctor's notes and any other relevant information.

първични медицински документи –

2. направление за консултация – попълва се от лекар – изпълнител на ПИМП или СИМП при необходимост от консултативна помощ от лекар специалист – изпълнител на СИМП
3. Направление за медико-диагностична дейност – попълва се от лекар изпълнител на ПИМП или СИМП при необходимост от извършване на изследвания на съответния пациент.

This is a medical form for a consultation or diagnostic procedure. It includes fields for patient information, doctor information, and a section for recording the consultation or diagnostic findings.

Left Page (Patient History and Physical Examination):

- Пациент:** Fields for name, sex, date of birth, and address.
- ИЗПЪЛНИТЕЛ:** Fields for doctor's name, specialty, and title.
- Медицинско направление №:** Fields for the referral number and type (Consultation or Diagnostic).
- Диагнози:** Fields for ICD-10 codes for diagnosis.
- История на болестта:** A section for the patient's medical history.
- Физикален преглед:** A grid for recording physical examination findings.
- Лабораторни изследвания:** Fields for laboratory test results.
- Общи данни:** Fields for patient's general health, social history, and family history.
