MEDICAL UNIVERSITY – PLEVEN

FACULTY OF PUBLIC HEALTH

ANNOUNCEMENT

**JUBILEE SCIENTIFIC
CONFERENCE WITH
INTERNATIONAL PARTICIPATION**

**NEW APPROACHES IN PUBLIC HEALTH
AND HEALTH POLICY**

*Dedicated to the 15TH Anniversary
of the Faculty of Public Health,
Medical University – Pleven*

**26 – 28 NOVEMBER 2020
PLEVEN**

DEAR COLLEAGUES,

It's my pleasure to invite you to the Jubilee Scientific Conference, dedicated to the 15th anniversary of the Faculty of Public Health at the Medical University – Pleven.

During the last 15 years since its official establishment, the Faculty of Public Health has become a leading structure within our university and a solid educational centre for training of public health professionals and managers.

Currently, the problems of public health gain the highest priority in the global social and economic development. We are witnesses of many new emerging and old unfavorable trends in global health. Bulgaria faces many negative public health tendencies and finding solutions to overcome them is now an urgent matter. We believe that this scientific forum can contribute to exchange of experience and good ideas and to establishment of creative contacts and collaboration in research and practice for prevention and control in public health u health systems development.

*Prof. Dr. Slavcho Tomov, MD, PhD, DSc
Rector of the Medical University – Pleven*
